C. Process in Subject Allocation

Some guiding principles for allocation of subject combinations include:

- Overall Average based on level ranking
- Relevant subjects: subject overall mark
- Preference: 1st Choice > 2nd choice > ...
- Availability of resources

3 Important Questions

Know your VIPS

- *Values*
- *Interest*
- *Personality*
- *Strengths*

- Explore viable education and career options
- Which fields of study / course / industries / sectors?

(STEM or non-STEM)

- Make informed decisions
- Know minimum entry requirements
- Goal setting and actions planning

D. Curriculum and Assessment

Subjects	WA1	WA2	WA3	WA4	EOY
All (except FCE & D&T)	15%	15%	15%	0%	55%
FCE	7.5%	7.5%	7.5%	7.5%	70%
D&T	7.5%	7.5%	7.5%	7.5%	70%

- Assessment is integral to the learning process
- Examples of WA include: Class Test, Project, Journal
- Schedule of WAs will be issued to all via PG.

D. Curriculum & Assessment - Homework

Homework is meant for students to:

- Consolidate and apply the skills and knowledge learnt in the classroom

5. Support for Student Well-being

Communicate like a parent and a friend

Show interest in their friendships, thoughts, and feelings, and listen without judgement.

Acknowledge that their friends may matter more than before

Understand that their friends' opinions may be very important to them at this age.

Respect their personal space to learn and grow

Allow them to develop their identity, manage their emotions, and handle challenges responsibly by themselves.

Eat meals together regularly to check in with one another

Try some conversation starters such as "What did you enjoy doing today?" or "What are you looking forward to in school tomorrow?"
